

N (male) direct to N (female) direct, cable: LMR400,
frequency: DC ~ 3GHz

- Model: NJ-NK-LMR400
- Cable length: Routine 3 m, can be customized other length
- Frequency : DC0~6Ghz
- Salt spray: 48H (special requirements, customizable)
- Applications: products are widely used in the IOT, smart home, automation equipment and other fields

Connector type 1:	N-J Male connector
Connector appearance 1:	Straight
Connector material 1 :	Nickel plated all copper
Connector type 2 :	N-K Male connector
Connector appearance 2 :	Straight
Connector material 2 :	Nickel plated all copper
Cable specifications :	LMR400
Frequency Range :	DC0-3GHz

N (male) direct to N (female) direct, cable: LMR400,
frequency: DC ~ 3GHz
