

SMA (male) to SMA (male) , cable: RG223, frequency: DC ~ 6GHz

- SMAJ-SMAJ-RG223-L
- Cable length: Routine 0.2 m, can be customized other length
- Frequency : DC0~6Ghz
- Salt spray: 48H (special requirements, customizable)
- Applications: products are widely used in the IOT, smart home, automation equipment and other fields

Connector type 1 :	SMA Straight plug, Interface-3(N MALE)
Connector 1 inner core conductor :	Gold-plated all copper
Connector 1 insulation :	PTFE
Connector 1 outer housing :	Gold-plated all copper
Connector 1 installation mode :	Plug-in type
Connector type 2 :	SMA Straight plug, Interface-3(N MALE)
Connector 2 inner core conductor :	Gold-plated all copper
Connector 2 insulation :	PTFE
Connector 2 outer housing :	Gold-plated all copper
Connector 2 installation mode :	Plug-in type
Cable type :	RG223
Cable inner conductor :	Silver-plated copper wire
Cable insulation/sheath :	PE/PVC
Cable shielding :	Double silver plated copper wire braid
Frequency of cable usage :	0-8G

SMA (male) to SMA (male) , cable: RG223, frequency: DC ~ 6GHz
